Last.fm Scrobbler for Mac

Download Scrobbler

Requires OS X 10.6 or later.

Last.fm Scrobbler for Mac

The Scrobbler automatically fills your library and updates it with what you've been listening to on your computer.

Give a little, get a lot

Enhance your listening experience, stay up-to-date with what your friends are listening to, view your listening history and share it with friends. The more Last.fm learns what you like, the better it gets.
